- The term of service will be 1 (one) year.
- The Executive Team of Committee should develop an Action Plan for the year and present to the Board for their review, approval and comments. Later, the Action Plan will be presented to the members.
- The Board will contribute to the goals and tasks for the Committee on annual basis. But if the initiative of new committee belongs to one of the Board members. It is necessary to make an exception, s/he can take the position of Chairperson without an election procedure.
- A Board member will be (supervising – sponsoring) a Committee, so there is a clear line of communication between Committees and Board of Directors.
